## AGM

President's report – Archer Talbot  
The AGM was held at the MSAC coffee shop after another super sprint session from Brenton. Thank you to all those who turned up. Many of us then headed to Pagoda for a late breakfast, which lasted well into the afternoon.

A quick summary of the year for 2010:

- the club was in the black with a \$559 profit
- total membership was 137
- average attendance at the 7 weekly sessions was 13.66 swimmers – thank you to Anton for all his organisation and to Brenton for his coaching
- winning the Visitor's trophy in Launceston behind the host club, placing 2<sup>nd</sup> in the State Long course and 1<sup>st</sup> in the State Short course.
- Thank you to those retiring from the committee for all of their work: Matt Harry, Craig Pethebridge, Stuart Moffatt.
- Marijke Alderson attained Life Membership for her years of service
- We remembered the deaths of two club members: Bruce Morgan & David Gordon.

## General news

With 50 swimmers racing at the State Long course on April 9<sup>th</sup> it should be a great day in the pool. We will also be celebrating afterwards, and the Pelican in Fitzroy St at 6pm is the current plan.

A new 2011 club t-shirt is will be ready for purchase before the National in Perth – email [lizgos@hotmail.com](mailto:lizgos@hotmail.com) with any enquiries.

The new committee will be looking at goals for 2011, so if there is anything you would like us to discuss, please email Archer with your suggestions [archer@challengecards.com](mailto:archer@challengecards.com)

Congratulations to Michaela & Andre on the birth of their baby son David. Hoping to see him soon!

A big thanks to all of these people for volunteering their time and effort to the running of Powerpoints for 2011. Hopefully we have another great year in the club, and bring home lots of silverware too.

## Competitions

Two of the main meets for the year are coming up, with the State Long course championships on Sat 9<sup>th</sup> April at MSAC, and the Nationals in Perth after Easter. The next newsletter will publish the results, so you'd better swim fast!

A big thank you to Rosa Montague, Jennie Bucknell, and Mark Thompson for all of their work on processing the entries (a huge task for Rosa made harder by technology) and for compiling the club relay teams.
